Church's Teachers College Alumni Association Inc.

Miami, Fl. 33193

Dear Mr. Andrews:

I write to acknowledge receipt of your letter dated April 11, 2011 advising of the establishment and registration of the Church Teachers College Alumni Association Inc. I also recall that we had a chance to meet and exchange pleasantries during the recent official visit of our Ambassador to the United States, H. E. Audrey P. Marks, over the period April 8-13, 2011, and thank you for your representation.

The past students of the venerable Church Teachers College have taken a commendable step. I congratulate you, the executive team and your members on the structured approach you have taken and welcome you on behalf of the Jamaican Consulate General into the Jamaican Diaspora alumni family in Florida.

We look forward to working with you in the future as you strive to serve your *Alma Mater* and by extension the cause of educational development in Jamaica and in this community. In the meantime, I have asked the Consulate's Jamaican Information Service Officer, Ms. Cheryl Wynter to be in touch with you to see how best we may be of assistance in facilitating or guiding your integration into the network of existing alumni groups here in Florida.

Kind regards,

Yours sincerely,
