CTCAAI Membership Report. Annual Report for July 22, 2023

Dear Members:

In recent years, amidst the interruption with Covid 19 pandemic, the Church Teachers' College Alumni Association Inc (CTCAAI) has made great progress in its mission to enable alums-to-alums connections and foster a meaningful, lasting relationship between alumni and the College. Be assured, this is a working board, that is making strides to fulfill our goals. It is extremely rewarding to know that you are making a difference in your alma-mater, its alumni association, and the lives of so many.

Our membership has grown in recent months. I have been adding and welcoming new members to our FB and Google mailing list. I encourage you all to do more in terms of traffic, with posts and comments. Our FB Group is just over 1.6k members. However, our paid-up members are very low. Our alma-mater will be celebrating its 60th year of existence in 2025. With thousands passing through this noble institution, one would hope that the paid-up membership would be much greater. This means we have much work to do. I urge everyone to play his or her part to advance our mission. We would certainly love to have more recent graduates join in to advance our cause.

If you have ever thought about volunteering or increasing your involvement with our alumni, put "serving on the alumni board" on your list. While only a few spots come open every year on this diverse and geographically inclusive board, I encourage you to put your name in the running and be patient. It is a team. It works to serve all alumni, students, and friends of the CTCAAI family. Our wish is for all of us to become members of CTCAAI and be visibly proud of this institution.

I hope you all know that we appreciate your membership, your involvement, and your support.

Sincerely,
R2R
Alejandro Wilson
CTCAAI Membership Director
