Every student teacher can be a **STAR**

Inter-Office Memorandum

To: Michael Andrews, President, CTCAAI
From: Marilyn Barnett, STAR Programme Manager
Date: September 30, 2010
Subject: Kerr Jarrett Gift of Hope scholarship

The STAR Programme Committee is pleased to announce the receipt of another opportunity for present and future students of Church Teachers' College to receive assistance with their tuition & accommodation.

The Kerr-Jarrett Hall Gift of Hope

The Gift is intended to provide hope for the future of young children who will be educated as a result of the support offered by one who received her education from Church Teachers' College; and is so named as Kerr-Jarrett was the benefactor's hall of residence while attending Church Teachers' College. It is described as the "gift of hope" as it is a gifting award and repayment in cash by the beneficiary will not be required.

Attached is the scholarship description along with the proposed Memorandum of Agreement prepared by the STAR Programme Committee; and which we trust will meet with your satisfaction.

We look forward to your earliest response.
