**From:** Marilyn Barnett, STAR Programme Manager  
**Date:** June 26, 2014  
**Subject:** Mary Stewart Bright Futures Scholarship

---

The STAR Programme Committee is pleased to announce the receipt of another opportunity for future students of Church Teachers' College to receive assistance with their tuition & accommodation.

### **Mary Stewart Bright Futures Scholarship**

The Scholarship is intended to provide an opportunity for graduates of Godfrey Stewart High School to pursue a teaching career through study at Church Teachers' College. It is so named after worked relentlessly alongside her husband, the founding principal, Godfrey Stewart, to ensure that students would **reach their full academic potential**.

It is referred to as a "bright futures" scholarship there is no obligation to repay the funds received.

Attached is the scholarship description along with the proposed Memorandum of Agreement prepared by the STAR Programme Committee; and which we trust will meet with your satisfaction.

We look forward to your earliest response.
