Dear Applicant,

It is with great pleasure that we present the Carol, Clinton & Kathleen Muschett Humanities Award (MHA) available to prospective and current students of Church Teachers' College (CTC), pursuing the Humanities education programme. The Award is so named after members of the Muschett family inspired by daughter Carol. Carol was author and integrally involved in the publication of the book "NAJASO a catalyst for change", a history of The National Association of Jamaican and Supportive Organizations. The award funded by proceeds from the sale of the Book is intended to provide hope for the future of young children who will be educated as a result of the support offered by one who received her education from the College.

As the MHA is a gifting award, repayment in cash by the beneficiary will not be obligatory. The recipient, however, will be required to fulfill the eligibility criteria, maintain a grade level acceptable to the College and CTCAAI and display a personal conduct that befits CTC's mission statement to "...develop positive attitudes, morals and values so as to be effective leaders in the communities they serve". It is the donor's expectation that the MHA gift will help to pave the way forward for someone else to benefit from the quality education received from her Alma Mater by instilling the hope of a better tomorrow through education delivered to the children he/she encounters.

Managing the Award is CTCAAI's **STAR** Committee. Should the recipient fail to meet these conditions, he /she will be required to provide the Committee with a written explanation surrounding the circumstances and corrective actions to improve it, before the end of the first semester of that particular academic year.

The monetary value of the award is the Jamaican equivalent of USD500.00, payable to Church Teachers' College at the beginning of the academic year.

We therefore invite you to express your interest to us as soon as is possible; and submit your application by August 25, 2022.

Please do not hesitate to contact us should you require any further information.

Warm CTC regards,

Mike Andrews
